

TRADITIONS

LIFE AND TRADITIONS IN THE IRON MOUNTAINS (Nice form of get to know the Iron Mountains, recommended for families with children)

The Region of the Iron Mountains is a beautiful land starting from sand pits, ponds, rivers, streams through rolling foothills with the rich appearance of mixed forests till the hills of the Iron Mountains with its dominant monuments which is the ruin of the castle Luchnice. Variedness of the relief of the Protected Landscape Area of the National Geopark of the Iron Mountains offer wide range of natural beauties. The area made for wandering through the nature. You can discover nature by walking, cycling or even by a horse ride thanks to existence of numerous ranches and horstands together with many kilometres of cycling paths.
